

To order your books, log onto LopeAccess portal

Click on My Schedule

Your schedule will pop up and with it a link to eCampus

When you click this link it will show all the books for each class and the options:

Put a check in the box of the books you want to purchase and hit continue

After reviewing your Shopping Cart, hit Proceed to Checkout

Then a secure checkout screen comes up. If you have purchased via the virtual bookstore you can use the previous address or you can hand enter all the information. You can also ship it directly to the college at 2401 South Main Street Lamar, CO 81052. Then hit continue

Next is the shipping method. Select and then hit continue.

Next is the Payment Method

You will be able to see here how much financial aid you have available to use. If your books are more than what you have available from financial aid you can contact the financial aid office to see if you might have more available or you can pay for the remaining balance. 719-336-1590

It automatically applies the financial aid first. You can change this amount and lower the amount of financial aid you use down to zero.

If you are renting any books, you will have to also enter a credit or debit card so that if you do not return the books it will charge you.

Hit continue.

The last step shows you a review of everything and then you hit submit.

If you have any problems with this process, please feel free to reach out to us 719-336-1590
