

## **Lamar Community College eCampus Facts & Tips for Students**

**When should I order books?** The day after you register for your classes. You should try to register for classes and order your books at least two weeks prior to classes starting or sooner. This will allow time for your books to arrive.

**Where can I order books?** On your portal when you login to LopeAccess. Click on my schedule, click on the eCampus Bookstore link and all the books you need will be displayed.

**Where will my books be shipped?** You can have them shipped to your home address or to LCC at 2401 S. Main, Lamar, CO 81052. If you send them to LCC, please pick them up in the Trustees building at the Business Office.

**How do I pay for my books? Can I use financial aid?** You can pay for your books with a credit or debit card, or you can choose to charge the books to your student account up to the amount of \$400. If you rent a book, you will be required to give a credit card or debit card number in case it doesn't get returned.

**What is a book charge?** It is a credit that LCC places on your eCampus account that allows you to charge your student account for your books. YOU will be responsible for paying the amount charged on your student account. You will only be able to charge books to your student account until census date of the current semester. This amount may not cover all the cost of your books.

**What if I have a late start class?** Order that book early or ask Student Services for credit on eCampus so you may charge that book to your student account.

**What if I need to return a book?** Login to your LopeAccess portal. Click on My Schedule. Click on eCampus Bookstore Link. Click on the profile button. Then click on Manage my Rentals/Returns. Then follow the instructions. Make sure you print the call tag and packing slip for your return. You must have these to ship the books.

**How do I utilize book buyback?** During the week of finals, a station in the Business Office will setup for you to return & ship your books back. The books will be shipped and you will receive payment back from the vendor once they receive your return. LCC does not process book buybacks.

**What if I miss book buyback?** Go to [lamarcc.ecampus.com](http://lamarcc.ecampus.com) and click on Sell Textbooks. Follow the directions to sell your textbooks.

**How do I return rentals?** You can return your rentals to eCampus during book buyback or you may follow the instructions above to return a book.

**What if my books don't show up?** Each time a book is shipped to you, the tracking information is sent to your email. Track the book to find the location. If you need further help call the eCampus help line.
