

Kaplan Admissions Test Access

Congratulations! You've decided to pursue a career as a nurse, and applying to nursing schools is the first step on your journey.

The nursing school you are applying to currently uses the Kaplan Admissions Test as part of its admissions evaluation process. Please follow the steps below to purchase the Kaplan Admissions Test, and start the journey toward a nursing degree:

Go to: <https://www.kaptest.com/nclex/partner/lamar-community-college>

Follow the enrollment steps to register your account.

- Once enrolled, please notify your school. They will schedule you to take the Kaplan Admissions Test at their specified date/time.

Thank you, and best of luck with your nursing school admissions!

The Admissions Test should not be purchased more than 60 days before your testing date.
