Data Equity in Athletics Disclosure Act (EADA)

Academic Reporting Year: 2021-22

The Equity in Athletics Disclosure Act (EADA) requires a school that has an intercollegiate athletic program to make prospective students aware of its commitment to providing equitable athletic opportunities for its male and female students. As part of this requirement, each fall schools must make certain information available to students, prospective students, and the public in easily accessible places and must also report the information to the Department. This annual report is called The Report on Athletic Program Participation Rates and Financial Support Data and is commonly referred to as the EADA Report.

All coeducational institutions of higher education that participate in any Federal student financial aid program (Federal Pell, Federal SEOG, and Federal SSIG Grants; Federal Work Study; and Federal Family Education, Federal Perkins, and William D. Ford Federal Direct Loans) and have intercollegiate athletics programs must provide information concerning their intercollegiate athletics programs under the Equity in Athletics Disclosure Act of 1994, Section 485g of the Higher Education Act of 1965, 20 U. S. C. 1092.
