SCHOLARSHIP OPPORTUNITIES FOR COMMUNITY COLLEGE STUDENTS

Thanks to generous donors, the Foundation for Colorado Community Colleges is able to offer several scholarship opportunities for students attending or planning to attend any of the 13 Colorado Community College System colleges.

We anticipate awarding 300+ scholarships for the upcoming 2024-2025 academic year.

Our application is **easy to complete** and we have **scholarships for every type of student**:

- NO letters of recommendation required
- NO transcripts required
- NO resumes required
- NO interviews required
- Complete one application to be considered for a variety of scholarships
- Awards are generally for one year and range from \$1,000-\$5,000
- ASSET students are eligible for many scholarship opportunities, except where noted otherwise
- While not all of our scholarships require a FAFSA (or CASFA), we encourage completing one in order to qualify for the greatest number of scholarships

HOW TO APPLY

By completing one common scholarship application, students are automatically qualified and considered for all scholarships for which they are eligible. More information about our scholarships and the application can be found here:
