

ANTELOPE STAMPED RODEO

FRIDAY OCTOBER 3RD- SUNDAY OCTOBER 5TH

**Sand & Sage Fairgrounds
Lamar, Colorado**

Welcome To The 2025 Antelope Stampede

On behalf of Lamar Community College and the LCC Rodeo Team, I want to thank you for joining us for this year's Antelope Stampede. Your support and attendance mean so much, not only to our program, but to each student-athlete who has worked tirelessly to represent LCC in and out of the arena.

A special thank you goes out to our generous sponsors. Your commitment helps make this rodeo possible and allows our student athletes the opportunity to grow, compete, and chase their dreams. We are proud to partner with each of you in keeping the great tradition of college rodeo in Lamar alive.

Our team has been putting in the work and is eager to show up and show off in front of a home crowd. The Stampede is always a highlight of our season, and we're excited to share the action, grit, and spirit of rodeo with you here in Lamar. Thank you again for being part of the 2025 LCC Antelope Stampede. We're glad you're here—enjoy the rodeo!

With gratitude,
Travis Greenlee
Head Rodeo Coach
Lamar Community College

Meet The Coach

Travis Greenlee

Growing up in Southwest Colorado I have been involved with rodeo and ranching in some capacity my entire life. In high school, I competed in every event except cutting. As the State Champion Bareback rider and All Around Cowboy, I earned a full scholarship to Odessa College. There, I excelled at both ends of the arena. Transitioning to pro rodeo, I focused on the rough stock events but have always prided myself on my versatility. I have continued to stay involved with rodeo in many ways, including raising bucking bulls, judging, working as a pick-up man, and being heavily involved in the full production of many amateur rodeos.

Now, as the Head Rodeo Coach at LCC, I am excited to bring that versatility and love of rodeo combined with my passion for coaching to a school renowned for its Equine and Ag programs.

This role is a dream come true, offering a unique chance where we can blend various aspects of our western culture for the benefit of our students. I am happy to be a part of the LCC community and to continue to build a successful rodeo program.
