Live, Remote Courses

Experience the quality of in-person education — from the comfort of your home. Our live, virtual classrooms bring learning directly to you.

Log in During Specific Days & Times

Stay on track with a clear, consistent schedule. RCC courses meet at set times so you can plan your week and stay motivated.

Real-Time Interaction with Instructors & Classmates

No pre-recorded lectures! Engage in meaningful discussions, ask questions, and collaborate in real-time with peers and instructors.

Same Cost as On-Campus Classes

Get the full college experience at no extra cost. RCC remote courses are priced just like traditional in-person classes.

Connect with Students Across the State!

Join a vibrant learning community made up of students from rural and remote areas across your state. Expand your network while earning your degree.
