WELCOME

Lamar Legacy Horse Sale

We would like to thank everyone for your support of the Lamar Community College Legacy Horse Sale. In the 1970s, a committee of ranchers came together to develop what would become these nationally recognized programs. Today, we have the Horse Training and Management and Equine Business Management programs.

In the Horse Training and Management program, students green break three 2-year-old colts. As sophomores, these students work with a green broke horse to further their training in areas such as reining, cow horse, roping and barrels. In the Equine Business Management program, students prepare for jobs such as equine rehabilitation, nutrition, vet tech, and lesson instructor. Students learn anatomy, nutrition, reproduction, business management and become trained to use our Vitafloor, Solarium and Magnawave.

Students from across the country come to Lamar, Colorado to further their education and become gainfully employed in the horse industry after their internships. Our programs would not be successful without support from individuals like you. Thank you!

Lamar Legacy Horse Sale

NEW IN 2026!

Newly added in the 2026 Lamar Legacy Horse Sale, any yearling graduates will have a spot held for them in the Spring 2027 or Fall 2027 Horse Training and Management Program. We believe in the quality of yearlings we are offering and would be happy to welcome them back into our program. The owner will need to complete the application in the required timeframe, will be responsible for all fees in the HTM Program and the horses will need to meet the health requirements. Purchase with a plan for your next prospect!

MARK FREEMAN

Scholarship

Mark Freeman began taking colts from Freeman Ranch to Lamar Community College around 1989. From close friends, Mark heard about the program and the important work they were doing and eagerly sent in an application that was later accepted to send colts to the college.

Due to Mark's passion for his family ranch and its already existing horse program, he knew getting involved with LCC, the Rodeo Team and the HTM program was something he wanted to do very early on. Later that year, Mark took five colts in the spring and five colts in the fall to be started in the HTM program. This began the start of the Freeman Ranch's involvement at LCC.

Mark proudly served on the advisory board for over 20 years. We are honored to continue the Mark Freeman Scholarship to acknowledge all Mark did for our programs and students.

Commission from all horses noted with the Mark Freeman Scholarship will be used to fund this scholarship. This includes lots 4, 6, 12, 15, 22, 26 and 32. Mark Freeman was no doubt a significant part in the legacy created in the LCC Horse Programs.

LCR King Cash is eager and willing to learn. His sire is VF Cash On Fire who has over 60 offspring who have competed in barrels, cow horse, team roping, breakaway, and ranch rodeo events. VF Cash On Fire has been with the Carr family in the AQHA breeding program for over 20 years. The family uses the horses to compete in all events and on the ranch. All two year olds in the LCC HTM program will have around 90 days of training at the time of the sale and will have been exposed to indoor and outdoor arenas, riding on the trails, tracking the heelomatic, working the cutting flag, trail obstacles, live cattle, washing, clipping, and the farrier. "King" is showing potential as a head horse or ranch horse and should be easy to go on with.

She has the training foundation to go any direction. This is a pretty mare that could later make a great broodmare. Her dam produced over \$10,000 NRHA earnings including a full brother that Wilson's showed last year in the NRHA futurity. Be sure to watch her video being used out in big ranch country as well as in the arena. NRHA and NRBC enrolled and AQHA Ranching Heritage eligible.

After a correct start in the LCC HTM program, she has spent her days as a solid using horse, that has done every job there is to do on the ranch including moving and gathering cattle in brush, on the river bottom and has made big circles in the cedar breaks. Lady has been used to catch cows and bulls and drag them into the trailer. She is no stranger to sorting, riding pens, shipping, roping and doctoring outside cattle, and dragging calves. Lady is gentle but will run to a cow and get a job done. For more information feel free to call Brock Martin at 719-928-1272

He has a soft handle, big stop, and will spin a hole in the ground. "Antman" is sharp on cattle and knows how to read one. He has roped the sled and tracked cattle on the heel side. On the ranch, he has done it all from doctoring to shipping, ponied colts bigger than himself, and confidently goes up, over, or through anything you point him at. Don't let his compact size fool you- he has the grit and heart to outwork any other horse. He has excellent ground manners and is safe for kids of any age to be around. Leave him off for 2 days or 2 months and he rides off the same-- no buck, no funny business. Due to his athleticism and responsiveness, he is best suited to an experienced youth or above. 14.1 hands. Everyone knows the best way to teach someone what a truly broke, finished horse rides like is for them to ride one themselves. "Casper" has been a headquarters horse who has done more than his fair share of sorting, branding, and doctoring. He has settled thousands of cutting cattle from Fort Worth to Houston and everywhere in between. He is a true seasoned veteran who handles time off with no problem. He is good for the farrier and baths. If you are looking for a horse that will let their rider be a student and not a teacher, Casper is just the horse you're looking for. This guy is all the fun and games and no one gets hurt. Don't let his age fool you. Take Casper home and you will be happy for years.
